Redefining Psychiatric Treatment in a Changing World

📅 19th to 22nd November 2026

📍 Srinagar, Jammu & Kashmir

MESSAGE

ANCIAPP 2026

Dear Colleagues,

It is our great pleasure to welcome you to the 27th Annual National Conference of the Indian Association of Private Psychiatry (ANCIAPP 2026), to be held in the breathtakingly beautiful city of Srinagar—a place that inspires reflection, resilience, and renewal.

The theme for this year, “Redefining Psychiatric Treatment in a Changing World,” captures the evolving landscape of mental health care amid rapid social, technological, and cultural transformations. As psychiatrists, we are continually challenged to adapt our understanding, refine our therapeutic approaches, and respond compassionately to the changing needs of our patients and society.

ANCIAPP 2026 aims to provide a dynamic academic platform that encourages critical thinking, innovation, and dialogue. Through scholarly deliberations, experiential learning, and shared clinical wisdom, the conference seeks to explore newer perspectives in psychiatric treatment while reaffirming the core values of ethical, patient-centered care.

We are confident that this conference will not only enrich professional knowledge but also foster meaningful connections and collaborations among colleagues from across the country.

We extend our heartfelt best wishes to the organizing committee and eagerly look forward to an intellectually stimulating, memorable, and impactful ANCIAPP 2026.

Warm regards,

Dr Mrugesh Vaishnav
President IAPP

Dr Vipul Tyagi
General secretary IAPP

Redefining Psychiatric Treatment
in a Changing World

Message From Executive Committee Indian Association of Private Psychiatry Jammu and Kashmir branch

Dear Esteemed Colleagues,

It is with great pride, profound pleasure and privilege that we, on behalf of Indian Association of Private Psychiatry - Jammu & Kashmir Branch, extend a warm welcome to you, to the 27th Annual National Conference of the Indian Association of Private Psychiatry (ANCIAPP 2026) in our homeland, Srinagar - the city of lakes, vibrant shikaras, majestic mountains, and timeless Mughal gardens—where nature, reflection, and resilience coexist in rare and enduring harmony.

Set amidst the pristine waters of Dal Lake and the quiet grandeur of the surrounding Himalayas, Srinagar offers a setting that invites clarity of thought, balance of perspective, and renewal of purpose. The theme, “Redefining Psychiatric Treatment in a Changing World,” finds special resonance in this land of contemplation and endurance. At a time when psychiatry is shaped by rapid social, technological, and cultural transitions, this conference seeks to advance critical scholarship, refined clinical practice, and a renewed commitment to ethical, evidence-based, and patient-centred care.

ANCIAPP 2026 aims to be an academic forum for scholarly and evidence-driven scientific discourse, professional reflection, and collegial exchange, enriched by the warmth, grace, and hospitality, for which Kashmir is renowned.

We look forward to welcoming you to an intellectually stimulating and culturally enriching gathering in Srinagar, where minds meet, ideas flow, and the science and art of healing find renewed meaning.

With warm regards,

**Executive committee, Office bearers Indian association
of private Psychiatry, Jammu & Kashmir branch**

Message From The Organising Committee

Dear Esteemed Colleagues,

It is with great pleasure, coupled with a profound sense of responsibility, that we, on behalf of the Organising Committee, extend a cordial invitation to you to attend ANCIAPP 2026, the 27th Annual National Conference of the Indian Association of Private Psychiatry, to be held in the picturesque city of Srinagar, Jammu and Kashmir.

Renowned for its timeless natural beauty, renewal and resilience, Srinagar offers an exceptional setting that seamlessly blends natural splendour with cultural richness. The city provides an ideal milieu for intellectual engagement, professional rejuvenation, and meaningful interaction among psychiatric professionals from across the nation.

Aligned with the conference theme, "Redefining Psychiatric Treatment in a Changing World," the scientific programme has been meticulously designed to address emerging challenges and evolving paradigms in psychiatric practice. Through evidence-driven scientific discourse, the sessions aim to showcase innovations in clinical care while reaffirming our collective commitment to ethical, patient-centred, and evidence-based practice.

The Organising Committee is committed to delivering a scientifically robust and professionally rewarding academic programme, complemented by a seamless conference experience and the renowned warmth and hospitality of Kashmir.

We look forward to welcoming you to Srinagar for an intellectually stimulating and culturally enriching gathering, where ideas converge, collaborations flourish, and professional excellence finds renewed expression.

With warm regards,

Organizing committee
ANCIAPP 2026

ANNOUNCEMENT & INVITATION

The Association of Private Psychiatry, Jammu & Kashmir (Indian Association of Private Psychiatry - Jammu & Kashmir Branch), in proud association with the Indian Association of Private Psychiatry (IAPP), is delighted to announce the 27th Annual National Conference of the Indian Association of Private Psychiatry (ANC-IAPP 2026).

This prestigious national academic gathering will be held from 19th to 22nd November 2026 in the enchanting city of Srinagar, Jammu & Kashmir, set against the majestic Himalayan backdrop.

ANC-IAPP 2026 coincides with a particularly special time in Kashmir — the 6th season, locally known as Vandeh, marking the onset of early winter from mid-November to mid-January. During this season, Kashmir undergoes a quiet and poetic transformation: crisp mountain air, mist-laden mornings, golden chinar leaves carpeting the boulevards, snow-dusted peaks, and tranquil waters reflecting profound serenity. Vandeh is neither the harshness of deep winter nor the fading warmth of autumn — it is a season of calm, reflection, and understated beauty, offering a uniquely inspiring setting for learning, dialogue, and renewal.

The conference will bring together eminent psychiatrists, mental health professionals, academicians, and researchers from across the country for an enriching academic experience, featuring:

1. **Distinguished keynote addresses by renowned national and international experts**
High-quality scientific sessions and symposia
2. **Skill-based workshops and interactive panel discussions**
3. **Updates on advances in clinical practice, psychotherapy, psychopharmacology, and mental health policy**
4. **Excellent opportunities for professional networking and collaboration**
Beyond the scientific program, delegates will be welcomed by the legendary hospitality, rich culture, and timeless charm of Kashmir, making ANC-IAPP 2026 a truly memorable professional and personal experience.

**Redefining Psychiatric Treatment
in a Changing World**

We cordially invite you to join us in Srinagar, participate actively, and contribute to this landmark event in the journey of Indian private psychiatry.

Be an Early Bird!

Early registration is encouraged to avail special benefits, ensure preferred participation, and plan your travel well in advance to experience Kashmir at its most serene and beautiful.

19th–22nd November 2026

Where science meets serenity — in the heart of Kashmir during Vandeh.

We look forward to welcoming you to **ANC-IAPP 2026**.
