## **WELCOME MESSAGE FROM President and Secretary of Indian Association of Private Psychiatry, Haryana State Branch**

Dear Esteemed Members,

The Indian Association of Private Psychiatry – Haryana State Branch is thrilled to announce the upcoming 4th Annual Conference, to be held in the lush green valley of Kasauli. The theme of the conference is focussed on, **“Informed Minds: Legal and Ethical Perspectives in Contemporary Psychiatry”**, reflecting the need that we all require in our daily psychiatric practice. Kasauli, a small town in Himachal, is a place where Lord Hanuman placed his feet in the area while searching for the Sanjeevani herb, which led to the creation of the town. There is a Hanuman Temple at the top of Monkey Point, where it is believed he stepped.

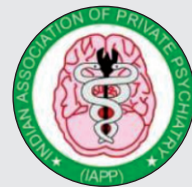

The Organising Committee, with the leadership of Dr. B. K. Sharma and Dr. Amit Nayyar well supported by Dr. Rajesh Gupta and Dr. Anirudh Bhushan are making an extra effort to provide an academic feast. The speakers are well experienced and pioneers in the field. It's an opportunity to put an extra knowledge into your pocket, network with peers, and explore the beautiful valley of Kasauli. We on behalf of the Office bearers encourage all the members and participants to attend in full strength and make this event a successful one. We look forward to welcoming you all to Kasauli in February 2025.

Dr. D.K. Arora  
President,  
IAPP – Haryana State Branch

Dr. Manish Bathla  
Secretary,  
IAPP – Haryana State Branch

## **WELCOME MESSAGE FROM Indian Association of Private Psychiatry, Haryana State Branch Organising Team**

Dear Colleagues,

On behalf of the organising committee, we are pleased to invite you to the Annual Conference of IAPP, Haryana to be held on 8th & 9th February 2025, at **Glen View Resort, Kasauli.**

“This year’s conference” is centred around the theme **“INFORMED MINDS : LEGAL AND ETHICAL PERSPECTIVES IN CONTEMPORARY PSYCHIATRY.”**

“In today’s rapidly evolving” healthcare landscape, “Psychiatric practice” is increasingly intersecting with “legal & ethical challenges”. From involuntary treatment to digital telepsychiatry, the need “for psychiatrists” to stay informed & prepared is critical. This theme has been chosen to give delegates a deeper understanding of the complex legal & ethical dimensions that influence our practice, equipping us to navigate these challenges confidently & responsibly.

The conference will be academically rewarding with talks by eminent speakers from top institutes.

Nestled in the picturesque hills of Himachal Pradesh, Kasauli is a charming hill station that offers a respite from the hustle & bustle of city life & with its lush, green landscape it is a perfect destination for those seeking peace & natural beauty.

Looking forward to having you with us with the sincere hope that you will have a great time.

Greetings & Regards

Organising Committee

### Explore Kasauli

#### Monkey Point

Kasauli's Monkey point is the highest point of the town and is one of the most famous attractions of the place. Located at a mere distance of 4 kilometres from the bus stand, this destination has a small temple dedicated to Lord Hanuman that remains crowded with monkeys. Being the highest point of the town, the Monkey point offers a bird's eye view of the nearby cities of Chandigarh, Kalka, Panchkula and Sutlej river from this point. On a clear day, visitors can also spot a snow-covered peak of 'Choor Chandni', the highest peak of the Lower Himalayan belt.

#### Mall Road

While most areas in Kasauli are off-beat, one must not miss this colorful hustle bustle of the town. This is a much loved exception to the otherwise quiet Kasauli. For a small town that it is, the mall road provides flattering options for shopping and eating out. The market is at its vibrant best during early evenings and an evening stroll here is highly recommended.

#### Sunset Point

Sunset Point in Kasauli is a popular yet a very quiet spot to enjoy the sunset, pine-laid landscapes, valleys and sceneries. Nearby to the Sunset point, is a trail or a path known as the Lover's Lane which is an only more quiet walk through the valleys and some of Kasauli's most calm and breath-taking sceneries.

#### Gurkha Fort

Gurkha Fort sits on a small hillock in Subathu, near Kasauli in Himachal Pradesh district of Solan. This church, located in the city centre, is a popular tourist spot with a vibrant Mall road around it. Built in 1853, this was built with the grandeur of Gothic architecture. This church has beautiful stained glass windows depicting Jesus Mary, St. Barnabas and St. Francis from Italy and Spain and is a majestic building to look into. This is a must-visit for all visitors who come here to be a very quiet and relaxing place to stay. Subathu is considered an area of the cantonment and includes the remains of this fort.

#### Sun Rise Point

Head for your morning walk and catch the best sunrise views here.

#### Christ Church Wear Kasauli

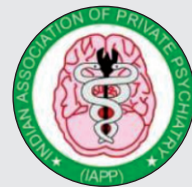

Featuring classic Neo-Gothic architecture, Christ Church in Kasauli is considered as the oldest church in Himachal Pradesh. A beautiful church and a peaceful place you should definitely visit.

#### Gilbert Trail

This trail is a must-do for all nature lovers. It is a 1.5-km trail that showcases the best of flora, bird species and amazing scenery. Carry a camera and don't forget to capture it, because you are going to get some great shots.
