Dear Colleagues,

It is a matter of great honour for AFPA to invite you for our next international conference being held on 28th November, 2018 at Hyderabad, India. The meeting is being organised with support from Indian Association of Private Psychiatry, Indian Psychiatric Society and Indian Association of Biological Psychiatry.

The main theme of the conference "Advances, Impacts and Future Directions of Psychiatry." It is very important and relevant to our current practices of psychiatry especially from the perspectives of developing countries & Asian context.

We are thankful to Indian Association of Private Psychiatry for their help and support and hope this meeting will strengthen our links with various national organisations for future working & wish the organisers and the participants of this conference a big success and happy stay in beautiful city of Hyderabad.
